## Important Notes for the Tour

- This course will guide you through inspection areas that are normally not open to the public. Please be aware that these areas are not designed for general access. Extra caution is required to ensure both personal safety and the prevention of falling objects.
- For safety reasons, belongings may be checked using a metal detector or visual inspection.
- Please follow the instructions of the tour guides at all times and pay close attention to avoid any danger.
- Do not touch any machine switches or equipment.
- Please note that the facility managers, tour organizers, and related staff cannot assume responsibility for any accidents resulting from participants' intentional acts or negligence.

## Clothing

- Please avoid clothing that leaves much skin exposed. Long pants are recommended.
- Since some areas are slippery, uneven, or involve steep stairs, please do not wear leather shoes, high heels, or sandals (including sports sandals). Sneakers are strongly recommended.

## Items to Bring

- Please bring an ID card or other document that confirms your name and age.
- Please carry valuables and personal belongings in a backpack or similar bag.
